Safe Families
for Children

Thank you for making a difference!

Thank you for joining churches across the country as we care for families in crisis in our communities. The compassion that your church and families tangibly show makes an eternal impact, both in their lives and the lives of the children and parents you serve.

Safe Families for Children is a movement powered by biblical hospitality. Our aim is to keep children safe and families intact. We surround families in crisis with caring, compassionate community. This movement relies upon local churches such as yours, Host Families, and other volunteers to open their arms, their hearts, and their homes.

The goal of **Safe Families Sunday** "Live Out Love" is to celebrate how your church family has cared for the most vulnerable among us. And it is a powerful way to invite more people & families to participate.

We strongly encourage you to have a Safe Families Resource Table in your lobby where people can sign up to volunteer, get more information, and discover next steps.

Sample Announcement

"Good morning! My name is _____ and I'm so excited to tell you all about Safe Families for Children.

Our community is full of hurting, lonely parents who face some type of crisis everyday without the support of a loving community like we enjoy here at our church or with our friends and family. These parents - most of them single parents - are just trying to figure out how to survive their struggle and their children are left vulnerable. These families are in danger of not being able to have stability or stay together; much less have hope for a better future.

Safe Families for Children provides a needed solution for these families by empowering and mobilizing the church to surround these families in crisis with caring, compassionate community.

Churches like ours embrace Safe Families as one of our ministries, and people like you become volunteers like:

Host Families who lovingly care for kids while their parents get back on their feet;

Family Friends who support Host Families or provide friendship and mentoring to struggling parents;

Family Coaches, who provide guidance and oversight to Host Families and placing parents;

Resource Friends, who help with practical needs like clothing or meals; or

Ministry Leads, who bring coordination within the church for the volunteers

There is a role for everyone! You can do something!

Safe Families works with local social service agencies, ministries, schools, hospitals, etc to connect families in crisis to the local church and their volunteers.

If you'd like to learn more and discover who to become a Safe Families volunteer, please {fill out the response card and put it in the offering bucket} -or- {visit the Safe Families table in the lobby} so we can get you more information.

*There is an Information -or- Volunteer training happening on _____.
I hope to see you there!*

Let's Live Out Love together as a church in this community through Safe Families!"

Live Out Love through Praying

"Give attention to the sound of my cry, my King and my God; for to you do I pray." - Psalm 5:2

Prayer is the fuel for ministry. Prayer bends our hearts to God and increases love and compassion for others. Below are important prayer points regarding Safe Families Sunday and the ministry of Safe Families for Children over all:

- 1. Pray for the lonely, vulnerable families who face crisis without having a caring, compassionate community.** Ask God to surround them with his people and the volunteers of Safe Families in your church.
- 2. Pray for the many organizations and agencies in your community that help and assist the hurting, the sick, the homeless, the abused and the destitute.** Pray that the Lord would send His people to volunteer and work within these organizations. Pray that Safe Families would have a strong relationship with local agencies for our referrals.
- 3. Pray for the workers and leadership at your state child welfare agencies as they deal with tragic situations every day.** Pray that Safe Families would be a great partner and a light of the Gospel to them.
- 4. Pray for Host Families who open their home and lives to children.** Pray that they will minister love well to the children and their families, grow in their faith and have the support they need from their church, family and friend.

Live Out Love through Praying

(continued)

5. Pray for Family Friends who support Host Families and who befriend parents in need. Pray that they would be a deep source of encouragement and hope to those who serve and to those who need support.

6. Pray for Family Coaches as they coordinate and oversee hostings. Pray that they would be an effective resource for Host Families and Placing Parents.

7. Pray for Ministry Leads and Safe Families churches as they support volunteers in their churches, recruit new volunteers and mobilize people to provide tangible resources.

8. Pray for Safe Families staff as they engage the community, reach out and support churches, care for volunteers and work to expand the movement. Pray that they lead with vision and are able to effectively manage this great work locally.
