

Welcome the interruption

WTI SF Action Steps Week 4

1. **Pray:**

- for your local SF staff as they seek to recruit, train and support local churches & volunteers and to reach out to families in need for hosting and friending
- for the undersupported and isolated parents who are struggling to navigate themselves and their children's needs during this pandemic

2. **Give:**

- become a monthly donor to your local SF chapter. Even if you can't give during this time at the level you would want to, every dollar matters and is used to help families in crisis. Remember every dollar up to \$1000 is doubled: <https://safe-families.org/donate-now/>
- as a church, include Safe Families in your missions budget.
- Create a one-time fundraiser for Safe Families

3. **Serve:**

- As a church, set a goal to have 1 Safe Families Circle of Support for every 50 people in your church, which is 7 volunteer families: 1 Host Family, 2 Family Friends, 1 Family Coach and 3 Resource Friends!
- Contact your local Safe Families chapter to set up a time for volunteer training: <https://safe-families.org/locations/>
